

Notices And Reminders

Shareholders, please be reminded that it is your responsibility (The Timeshare owner) to check the date for occupation of the week/s owing to you. You can also phone RCI and your Holiday Club who will be happy to advise.

For ease of reference the dates are advertised on the webpage. Our week starts on a Friday.

REMINDER TO ALL SHAREHOLDERS, GUESTS AND RENTERS.

It is imperative that arrival dates and departure times must strictly be adhered to.

Units have to be prepared which puts enormous pressure on staff.

Occupation is strictly from 2.00pm and departures are no later than 10.00am on the following Friday.

The breakage deposit will be forfeited if these times are not adhered to.

Overcrowding

Owners, friends, Timeshare clubs and renters are advised that the rule of overcrowding is strictly controlled. A 4 sleeper unit is for 4 people and a 6 sleeper is for 6 people. Management will impose a fine of no less than R200.00 per person per day that exceeds the stipulated limit and thereafter to insist that the numbers be curtailed forthwith. If this is not adhered to, the occupiers may be asked to leave the resort immediately.

- Kindly appreciate that the person signing the contractual agreement when booking in at reception is the responsible person who acts for and on behalf of the occupiers thereafter.

- All other rights are reserved.

DSTV

Good News - Bring your own DSTV

Please bring along your own DSTV decoders with your smart card, follow the instructions in the units, and enjoy the full bouquet of TV programs you are accustomed to. If you forget, there is always the normal TV provided by the resort which is the said 14 channels.
